THE SPA AT SADDLEBROOK RESORT

## EPICUREN CENTER THE SPA AT SADDLEBROOK RESORT

The Spa at Saddlebrook is proud to offer exclusive Epicuren® treatments and to be named an Epicuren Center Spa.

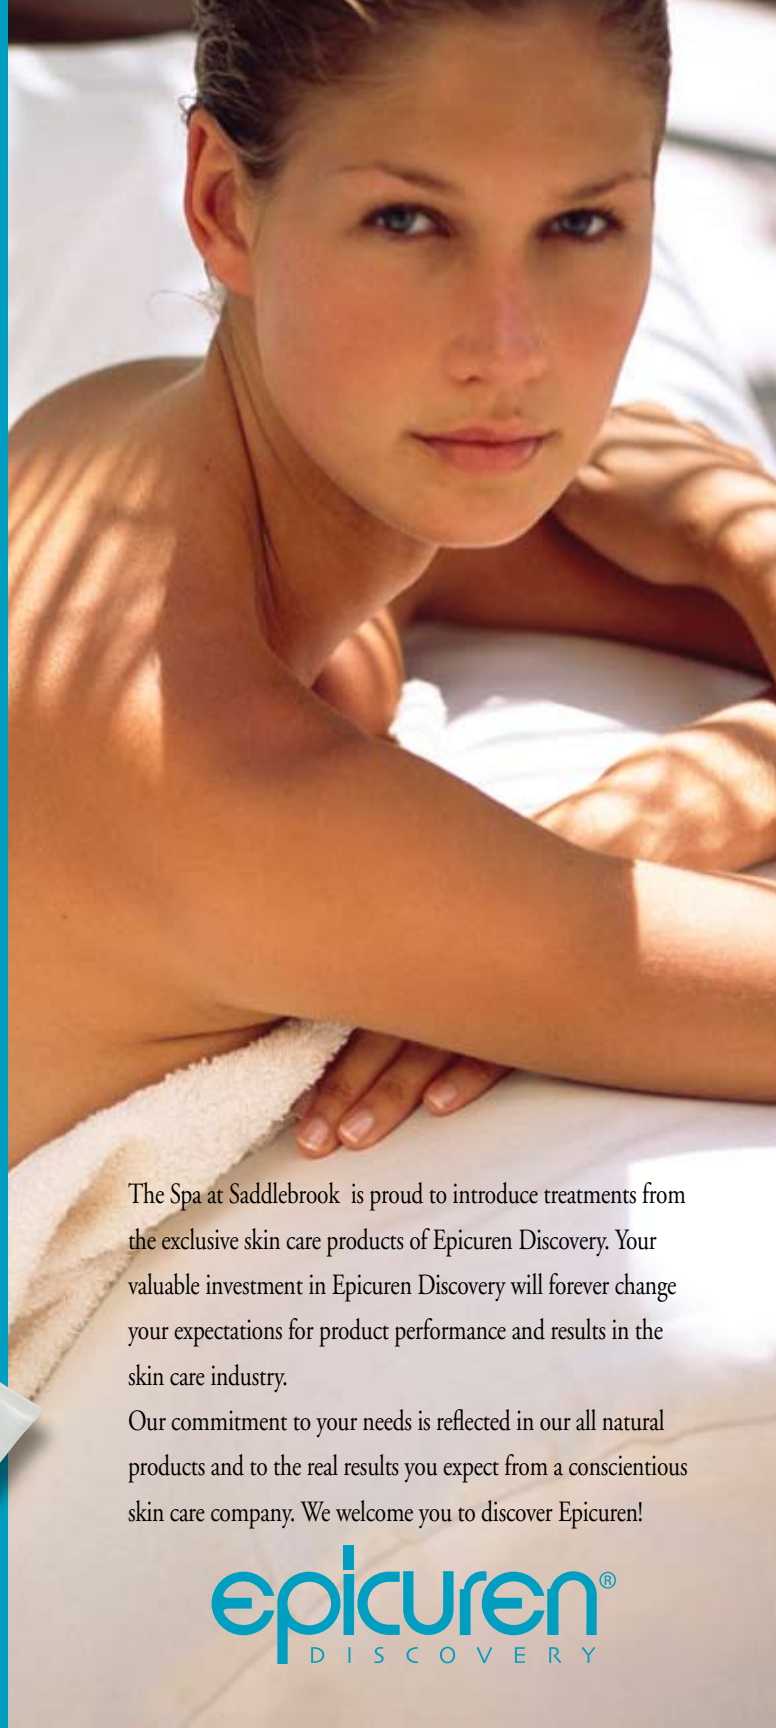

Epicuren® products actively promote total skin health by topically stimulating the skin's immune system. Metadermabolic Enzymes are the aqueous vitamin and protein complexes that, when formulated into Epicuren® products, cause rapid cell regeneration, oxygenation and nutrient absorption leading to improved health and appearance.

Epicuren® products are formulated with pure and natural biological and botanical ingredients. The highest quality raw materials are gathered from around the world to create fresh and vital products, which are uniquely free from chemical preservatives, colors or fragrances.

Epicuren® products cleanse, stimulate, nourish, moisturize and protect the skin to create fast, dramatic results. Each customized skincare program is prevention based and attends to every aspect of an individual's skin condition and needs.

Epicuren® skin is firm and balanced with refined texture, reduced pore size and a dynamically youthful glow. Epicuren® is a scientifically proven system that makes a definite improvement in the skin's health and appearance.

Today, many renowned skincare experts know Epicuren® as the most advanced and effective anti-aging skincare system available. Epicuren® only works with the finest doctors offices, skincare clinics and spas in the world.

The Spa at Saddlebrook is proud to introduce treatments from the exclusive skin care products of Epicuren Discovery. Your valuable investment in Epicuren Discovery will forever change your expectations for product performance and results in the skin care industry.

Our commitment to your needs is reflected in our all natural products and to the real results you expect from a conscientious skin care company. We welcome you to discover Epicuren!

DISCOVERY

## FACIAL TREATMENTS

### Epicuren Enzyme Facial - 50 min. \$125

The Epicuren Classic facial is a state-of-the-art enzyme skin care treatment. The unique enzyme peel provides the ultimate cleansing process to help refine pores, increase capillary flow and dissolve dead skin cells. A series of tightening masks create the effect of a face lift. This transforming treatment is recognized as one of the most effective anti-aging facial immediately giving your skin a more youthful and vibrant appearance.

### Noni Healing Facial - 50 min. \$125

Noni Gel is an amazing natural antioxidant, which will help dramatically lift and tighten the skin. Known for its legendary healing properties, this treatment is ideal for those guests exposed to harsh environmental factors such as the sun and wind.

### The Ultimate Facial - 80 min. \$175

Using a gentle, hand applied microderm cream, a mineral rich mask and two all natural serums containing 22 different amino complexes; this revitalizing facial soothes away stresses of modern lifestyles, while improving fine lines, wrinkles and puffiness. The bio peptides in the serums will plump your skin, increase firmness and stimulate cellular turnover. An ideal facial for when you want to look your very best.

### Crystalline Facial - 50 min. \$130

This exceptional treatment utilizes the energy of micronized, crystalline gemstones blended with Bentonite clay. The Crystalline Masque creates a high-energy healing, tightening and energizing result.

## FACIAL UPGRADES

### Microdermabrasion Cream Treatment - \$25

### Pro-Collagen III - \$25

### Instant Face Lift - \$25

### Intensifying Mask III - \$25

### Sun/ Rosacea - \$25

## BODY TREATMENTS

### Green Tea and Ginger Wrap - 80 min. - \$160

Start with a full body scrub containing grape seeds from California's Napa Valley. Follow with a body wrap of Green Tea, to balance the body's yin and yang, ginger root, to invigorate the mind and seaweed algae, known as nature's most complete source of nutrition to help stimulate your body's metabolism. Finish with a relaxing application of aromatherapy massage lotion.

### Around the World Body Purifying Mask - 80 min. \$160

Your body will be scrubbed with an antioxidant-rich geranium scrub designed to exfoliate and release damaging toxins. A volcanic clay mask will absorb fluids and increase blood flow while your skin absorbs mineral nutrients and restorative essential oils. Your skin will be cleansed, hydrated and soothed from the inside out.

### Grecian Goddess Firming Mask - 50 min. \$100

*Each additional area \$50*

A unique treatment that helps reduce the appearance of cellulite while improving the elasticity of your skin. It tightens, tones and firms selected areas by boosting cellular activity. Immediate results can be expected. Please choose an area to be treated-hips, back of thighs, or stomach, etc. Not a full body treatment.

### Microderm Scrub - 25 min. \$70

For the most flawless exfoliation and hydration, our hand applied tri-crystal microdermabrasion body scrub has no equal. Your skin's moisture balance will be sealed in for days.

## HYDROTHERAPY TREATMENT

**Lavender Lullaby** - 25 min. \$60

Feel your stress levels melt away as you unwind in a warm lavender bath, allowing the scent and jets to massage your cares away.

## MANICURES/PEDICURES

**Epicuren Express Manicure** - 25 min. \$30

Your nails filed and buffed; hands and arms massaged with an antibacterial propolis lotion providing astonishing success in the repair and rejuvenation of the skin. Nails are beautifully polished.

**Epicuren Express Pedicure** - 25 min. \$45

Exfoliation, massage with papaya enzyme lotion, buff and polish.

**Epicuren Purifying Escape Pedicure** - 50 min. \$75

This heavenly foot treatment begins with a soak in tropical bath salts followed by a papaya pineapple exfoliation to reveal glowing skin. A volcanic mask, with extracts of lavender, mandarin, rosemary, sage and licorice will hydrate, heal and sooth inflammation. A massage of blossom lotion will complete this heavenly experience.
